These criteria apply only to state universities. Qualifications from private universities should be referred to the International Office.

# PAKISTAN

## Note 1

The following may automatically be treated as exempting from IELTS 6.0 (or equivalent international test) and can represent a much higher level depending on other evidence:

1. Successful completion of secondary education at a British or International School.
2. HSSC English 80% or above, of FA/FSc English 70% or above.
3. Successful graduation at Masters level from:-

University of Arid Agriculture, Rawalpindi  
Ghulam Ishaq Khan Institute of Engineering Sciences and Technology  
Karachi University  
Lahore University of Management Sciences  
Mehran University of Engineering and Technology  
Sindh University

4. Successful graduation at second bachelors level (i.e. Education, Law, Medicine, Accounting or other professional bachelors degree taken after a first bachelors degree) from:

University of Arid Agriculture, Rawalpindi  
Ghulam Ishaq Khan Institute of Engineering Sciences and Technology  
Karachi University  
Lahore University of Management Sciences  
Mehran University of Engineering and Technology  
Sindh University
